

Comprehensive Assessment Services

(Includes Psychological and Speech and Language Assessment)

| Fee Level | Cost | Description |
|---|---------------|--|
| Level A | \$1800 | This fee level is typical for CYDC families who are financially secure or who may have full or comprehensive insurance/health coverage to help cover psychological or speech and language service expenses. As an example, families at this fee level might earn over \$120,000 /year. |
| Level B | \$1200 | This fee level is typical for CYDC families for whom the regular fee level would represent some financial hardship. Families may have partial or limited insurance/health coverage to help cover service expenses. |
| <p>Anything below Level B requires a Fee Adjustment Application to be Completed and Approved. This reduced fee level is reserved for CYDC families for whom the full fee would represent a significant financial hardship, and who may have limited or no insurance/health coverage to offset service fees.</p> <p style="text-align: center;">CYDC Fees Adjustment Application</p> | | |

Focused Psychological Assessment Services

| Fee Level | Cost | Description |
|---|---------------|---|
| Level A | \$1500 | This fee level is typical for CYDC families who are financially secure or who may have full or comprehensive insurance/health coverage to help cover psychological service expenses. As an example, families at this fee level might earn over \$120,000 /year. |
| Level B | \$1200 | This fee level is typical for CYDC families for whom the regular fee level would represent some financial hardship. Families may have partial or limited insurance/health coverage to help cover service expenses. |
